## Wines, Spirits & Cocktails

We are a premium cocktail catering company based in Aberdeen, Scotland. Our artisan approach to events large or small has allowed us to establish ourselves throughout the country. We apply a hand-crafted philosophy to our drinks and service, entrusting our team of charming, talented and passionate bartenders to execute these to a very high standard. Our bartenders are all affiliated to the very finest bars in Aberdeen, Edinburgh and Glasgow, including our very own The Tippling House ([www.thetipplinghouse.com](http://www.thetipplinghouse.com)), Rye & Soda ([www.ryeandsoda.com](http://www.ryeandsoda.com)) and Bosh ([www.bos-n.com](http://www.bos-n.com)). We've created bar solutions for events from 10 to 2500 guests, for a range of clients including FTSE 100 companies, global drinks brands and high net worth individuals.

As passionate and dedicated mixologists and bartenders, we have featured in some of the world's most prestigious cocktail competitions, including Diageo World Class, Disaronno Mixing Star and Bacardi Legacy, with some great success along the way. Our venue teams have also been awarded 'Scottish Mixologist of the Year' in 2015 and the Scottish Bar Network's 'Best Cocktail Menu' and 'Best Young Bartender' the same year. In addition, we have won a number of awards for our venues, including Trend Magazine's 'Best Bar' award three years in succession, the 'Certificate of Excellence' from TripAdvisor, and runners-up in both the SLTN 'Cocktail Bar of the Year' and The Observer Food Monthly's UK-wide 'Best Place to Drink' categories. Whether it's a great cocktail you're after, some local craft beers or some fine Champagne and wine, you can be assured that the team serving your guests will be highly-capable, friendly and committed to making your event a success.

As a company, we concentrate on three core activities:

### POP-UP BARS

A number of years ago, temporary pop-ups started appearing in creative hubs such as London, Berlin and New York, taking shape as temporary bars, restaurants, art installations or boutique retail outlets. Now you can have your own pop-up bar for your event. Our bars are an ideal and cost-effective way to impress clients, employees, family or friends. We can come to your office, home or hired venue, set-up a fully-functioning cocktail bar and serve exquisitely-presented mixed drinks to your guests. Our team are all hand-selected from renowned and award-winning cocktail bars, boutique hotels and fine-dining restaurants in order to ensure that you receive the same high level of service and quality - but at a more affordable price (from as little as just £13.50 + VAT per head).

### WEDDINGS/OUTDOOR

If you are planning your wedding in an unlicensed venue, marquee or outdoor space, 10 Dollar Shake takes a holistic approach, directly overseeing every crucial stage from license applications (for cash bars) and drinks lists to stock and staffing levels. We also have a range of mobile bars to suit every budget, from vintage crate-style bar units to LED/stainless steel cocktail bars. We provide quality bar offerings with competitive pricing levels for your guests.

### TASTING ACADEMY

We regularly host tastings on whisky, gin, rum and wine. These are available for individuals, couples and larger groups. Mixology workshops and team-building packages are also available. Visit [www.drinkaberdeen.com](http://www.drinkaberdeen.com) to view our up-date-date listings. For group bookings, please email [tastings@10dollarshake.com](mailto:tastings@10dollarshake.com).

## Wines & Sparkling

As part of our on-going commitment to reduce our carbon footprint, 10 Dollar Shake endeavour to source quality house wines from the European region, whenever possible. If you require wine for your meal or sparkling wine for your reception, 10 Dollar Shake can supply you this at competitive pricing, corkage-free with a complimentary wine tasting. Below is a selection of our house wines. If you wish to see our full wine list, please request a copy.

### HOUSE

Colombard Comte Tolosan, La Lande (France)

Garnacha Rosado, Campo Nuevo (Spain)

Tempranillo-Syrah, Castillo del Moro (Spain)

We also offer advice on food & wine pairing to help you choose the best grape varieties for your meal. Whether it's an Argentinian Malbec, an Austrian Gruner-Veltliner or a Bourgogne Pinot Noir, we have a great selection of high-quality and fine wines to choose from in our Rye & Soda bottle shop, including sherries & dessert wines.

### SPARKLING

Italy

Bella Modella Prosecco

Crisp, deliciously fine bubbles and filled with ripe apple and citrus fruit character, this is the model of a perfect Prosecco with a lovely smooth creaminess. Fresh, scented, dry and grapey. Light texture, crisp and very refreshing on the finish.

UK

English sparkling wine is the rising star of the wine world. Enjoy some incredibly well-balanced cuvees from the likes of Ridgeview, Chapel Down, Nyetimber, Lyme Bay, Hattingly and Sharpham. If you decide to serve up home-grown wine, you won't be disappointed.

### CHAMPAGNE

Piper-Heidsieck Brut NV

A bright, fresh aroma opens up a delicate balance of lemon zest, blossom and orchard fruit. The light and fresh theme continues where a prominent acidity keeps things crisp and balanced on the palate.

Piper-Heidsieck Rose Sauvage

A brisk, original and juicy wine which simultaneously offers black cherry, blackberry, pink grapefruit and blood orange notes. This structure and fruitiness is enriched with warm, spicy notes of Espelette pepper, tea and liquorice.

Piper-Heidsieck Rare Millesime 2002

An award winning wine with depth. Delicate, golden, dried and exotic fruits give way to mild spice notes such as white pepper, smoked tea and cocoa. A touch of iodine enhances the wine and gives it depth.

## Term & Conditions

1. If your Event or Wedding has on-site catering for guests we request the client provides, at their own cost, a main meal to all 10 Dollar Shake staff working for more than 6 hours.
2. Any wine and sparkling wine purchased for your reception and dinner are charged at our retail prices, exclusive of service and glassware charge. For brought-in alcohol, there is a corkage charge of £5 per bottle of wine, £10 per case of beer. This applies if a licensed bar is in place and includes service.
3. In the event that you require 10 Dollar Shake's all-inclusive packages (providing bartenders, glassware and stock), this will be subject to a fee per head. Please note that 10 Dollar Shake retains ownership of any left-over stock at all times.
4. Our list of spirits and liqueurs is not exhaustive and we are more than happy to accommodate specific requests. The range detailed is a sample list and does not include spirits or liqueurs that may be required in specific cocktails, nor premium spirits such as back-shelf gins, single malts, etc. For any products not listed in our venue ranges, the client will be charged back the cost of the stock.
5. All our spirit measures are 25ml, unless otherwise stated. Our bar prices include both spirit and standard mixer, however there may be a surcharge for higher-priced premium mixers such as energy drinks.
6. The bar pricing is flexible to take into account current tax levels and supplier wholesale prices which may fluctuate throughout the year. We will try our utmost to ensure our bar offers competitive pricing and that your guests are not paying above-average for the standard of drinks and service.

8. With regards to cash/pay bars, 10 Dollar Shake will apply for, and hold, the alcohol license for the event. At all times, there will be a Personal License Holder on the premises. The small cost of this is included in the quote. We require a minimum of six weeks to apply for an alcohol license.
9. 10 Dollar Shake retain exclusive rights to the supply of alcohol at your event. Please discourage your guests from bringing their own. Please also notify us of any complimentary drinks such as reception or table drinks to avoid excessive consumption that may harm bar sales and encourage binge drinking. 10 Dollar Shake reserve the right to confiscate any contraband alcohol, returning to the owner at the end of licensing hours.
10. 10 Dollar Shake operate a strict "Challenge 25" policy to avoid sales of alcohol to underage persons. Please advise your younger guests of legal drinking age (18+) that they may be required to show proof of age at the bar (passport or UK driving license only).
