POP-UP BARS

# 10 DOLLAR SHAKE

## Pop-Up Bars

A few years ago, pop-up's started appearing in creative hubs such as London, Berlin and New York. They took shape as temporary bars, restaurants, art galleries or fashion outlets, appearing for a limited period only, before disappearing again. Now you can have your own pop-up bar for your event.

Our pop-up bars are an ideal and cost-effective way to impress clients, employees, family or friends. We can come to your office or home, set-up a fully-functioning cocktail bar and serve exquisitely-presented mixed drinks to your guests. Our experienced team are all hand-selected from renowned and award-winning cocktail bars, boutique hotels and fine restaurants in order to ensure that you receive the same high level of service and quality – but at a more affordable price.

We have a selection of made-to-fit options below, but if you would like a more bespoke service, get in touch with us and we'll add some creative flair to your event. All quotes are inclusive of pop-up bar, bartender(s), glassware, stock/ingredients and ice.
