WEDDINGS@10DOLLARSHAKE.COM

10 Dollar Shake has curated drinks lists and supplied portable bar solutions for over 12 years in the wedding sector, often working exclusively with exclusive-hire venues and caterers as the preferred bar supplier. Our portable bars range from rustic-styled to chic conceptual, with a charming and passionate team of bartenders, mixologists and floor servers. We love to create bespoke drinks programmes with premium brands, craft products and on-trend cocktails, the result of long-standing relationships with the distilleries, breweries and local producers who supply us.

If you're looking to augment the drinks offering on your special day, we'd love to hear from you. (**Please note, due to limited availability, we are unable to provide dry hires or cocktail-only satellite bars.*)

DRINKS PACKAGES

All pricing includes VAT at the applicable rate.

PRE-CEREMONY LIVENERS | £5pp

Provide a refreshing drink to your guests as they arrive for the ceremony.

(choice of Prosecco 125ml, ice-cold beer, Low-ABV Highball // 0% alternatives are available)

POST-CEREMONY RECEPTION | from £10pp

Our creative approach to afternoon drinks can add a twist to your wedding reception. Our Highballs prove very popular, especially in the warmer months. Let us create a small drinks list of Collins, Spritzers and Fizzes, low in ABV to ensure the party lasts well into the evening. As always, we provide low or non-alcoholic alternatives as standard.

If you prefer a classic sparkling wine reception instead of cocktails, we also offer Prosecco/Spumante as our house wine, a non-alcoholic fizz, plus a refreshing 0% Highball.

*(*The venue or caterer may charge corkage, which is not included in our pricing.)*

TABLE WINE | from £6pp

Wine is very subjective and, as qualified oenophiles, we like to ensure you have the best quality wine for your wedding that your budget allows for. We charge retail pricing for our wines, without the restaurant mark-up, so you can benefit from more bang-for-your-buck, so to speak. Each year, we host a number of complimentary in-person wine tastings at The Tippling House in Aberdeen with all our wedding clients so they can select the wines that they enjoy the most. We recommend budgeting in a minimum of £6 - £8 per head for this.

Specialist and boutique wines can be sourced for you (i.e Chablis, Barolo, etc.) and we can also host a virtual/online tasting for those unable to attend our scheduled tasting in-person (*surcharge applicable).

BAR (LICENSED // CASH BAR) | £300

There is a £300 non-refundable booking fee to secure your date *(*not applicable with the pre-paid/free bar option)*. This does not include the hire of the portable bar or staffing costs (please see below for additional costs).

As standard, our drinks lists include premium rail products, local craft beers, cocktails, super-premium spirits, a selection of contemporary and classic gins, blended Scotch, single malt whiskies, rums, bourbon, Cognac and Port, along with 0% beers/spirits/fizz and premium mixers. *(*hand-painted chalkboard menus by a local artist can be provided for a surcharge)*

EVENING BAR (PRE-PAID // FREE BAR) | from £35pp

If you would like to provide complimentary drinks to your guests all evening, we can offer the full drinks list (see above) at a fixed price per person (bar open from 7.30pm – 12.30am).

6. Our list of spirits and liqueurs is not exhaustive and we are more than happy to accommodate specific requests. The range detailed is a sample list and does not include spirits or liqueurs that may be required in specific cocktails, nor premium spirits such as back-shelf gins, single malts, etc. For any products not listed in our venue ranges, the client will be charged back the cost of the stock and a corkage charged per measure/unit sold over the bar.
